Description

This duplex design features a spacious great room with columns, a cozy fireplace and access to a well-manicured backyard. Also opening to the great room is a large breakfast room with additional seating at the kitchen bar counter. A built-in computer desk in the kitchen will be great for study time and keeping an eye on computer time. The master suite is located on the main floor and has a large walk-in closet, private bathroom with corner whirlpool tub, separate shower and double vanities. The upstairs has an optional bonus room and a huge bedroom with window seat and walk-in closet.
