Description

Beautiful stone takes the center stage in this timeless “castle-inspired” design. Step into the Foyer and you'll find the stunning Dining Room with it's curved wall of windows to your left. Continue straight into the Great Room to enjoy the cozy fireplace. The Great room is open to the Kitchen through two arched entry ways flanking a pass through making conversation easy between these rooms. The spacious Kitchen features a huge high bar, an island, plenty of counter space, and a connected Hearth/Breakfast Room. You also have access to the Outdoor Living/Grilling Porch. Around the corner from the kitchen is a second pantry, the Laundry Room and the entrance to the 2-car Garage. On the other side of the home is the Master Suite with a spacious Master Bath, and the Guest Room with its own private bathroom. Upstairs you'll find a beautiful theater balcony overlooking the Great Room, as well as Bedrooms 3 and 4, a Computer Center, a Full Bath and the Bonus Room.
