Description

This European home blends stone, brick, and cedar shake on the exterior and offers an abundance of luxuries inside. The great room welcomes you with a warm corner fireplace, built-ins and a pass thru to the kitchen. The kitchen is a delight to cook in with an island featuring an ice maker, a bar for serving buffet style or for quick meals, and it has a large walk-in pantry. The kitchen is also open to the breakfast room which has 2 accesses to the large wrap-around grilling porch/outdoor living area, complete with a fireplace and a grilling kitchen. Near the kid's nook is a convenient computer center room. The master suite has a vaulted timber beam ceiling and private access to the covered porch. The master bathroom offers a corner whirlpool tub, a corner glass shower with a seat, and 2 large walk-in closets. Upstairs the kids will enjoy bedrooms 2, 3, and 4, each with walk-in closets. There are also 2 full bathrooms, another computer center, and an enormous bonus room over the 3-car garage. And the entire family and friends are sure to enjoy the impressive home theater.
