Description

NDG 1302

A stunning addition to our Rustic House Collection, Gervais Cove offers plenty for the whole family throughout its 3500+ square feet. The massive front porch welcomes you into the spacious Foyer, where a breathtaking vaulted ceiling continues into the Great Room and rear Covered Porch.

Exposed truss beams add character to the open floor plan, while the stone fireplace provides warmth and charm. The Great Room flows seamlessly into the Breakfast Room and Kitchen, which boasts a wrap-around peninsula bar and an optional prep island. The formal Dining Room is easily accessed from here through a timber post entry, and double transom windows allow for plenty of natural lighting during meals. The Master Suite of Gervais Cove is so exceptional in space, it occupies the entire left wing! A designated Media Room/Study continues the high vaulted ceiling, and the optional fireplace is sure to set the mood. The Master Bath is found toward the

rear of the home and features his and her walk-in closets and a whirlpool tub beneath a window.

The rest of the bedrooms are located on the opposite side of Gervais Cove for a peaceful split bedroom design. Bedrooms 3 and 4 feature tons of space and large walk-in closets, while Bedroom 2 enjoys the option for a window seat looking out to the front of the home. Two hall baths are found in this wing, and Bedroom 4 privately accesses one. Head upstairs, and you'll find a computer center within a Bonus/TV Room/Home Theater. Past that and over the garage is another Bonus Room with a Loft, Balcony, and a charming spiral staircase that leads you back down to an Outdoor Kitchen, fully equipped to prepare meals for a second Covered Porch. This Kitchen also features a half bath and makes entertaining family and friends a pure joy! How would you customize this amazing house plan?
