Description

SMN 1068

Touched by Contemporary Modern inspirations, this Seth M. Nelson plan is a dream wrapped in sleek lines and bold colors. Banks Cove holds five bedrooms, four full baths, and one-half bath, complete with 5,293 Sq. Ft. of living space, a personal gym, and a three-car garage. With a great open floor plan concept, this home is perfect for entertaining, as well as housing a growing family that needs space to spread out.

Curb Appeal

Upon approaching Banks Cove, you're greeted with a modern black and white contrast along with beautiful picturesque windows and a large entryway. A classic white brick exterior pairs perfectly

with bold, black stone accents and striking black trim work, and a two door entry is framed nicely by the covered entry and lighting touches.

Open Floor Design

As you enter Banks Cove, you'll find the grand foyer featuring tall ceilings and a beautiful staircase landing. To the right you'll find the private office space boasting tons of natural light from the front outlook of the home. Through the grand foyer, you'll find the luxuriously spacious great room complimented by its tall concrete fireplace. Not to be overshadowed, the kitchen overlooks the great room with a large eat-at bar and kitchen island. A large amount of cabinet space offers ample storage for your pots and pans. The dining room, illuminated by natural light on two walls, features plenty of room for a larger dining table and entertaining space.

Main Level Master Suite

On the west wing of Banks Cove, you'll find the master suite featuring a ton of space for you and your loved one. With a large master bathroom, you'll find two vanities, a double headed shower, a large soaking tub, a private toilet room, and a walk-in master closet that is rivaled by none.

Upper Level Living

Overlooking the spacious great room, the balcony gives way to 3 upstairs bedrooms, 2 bathrooms, and a large playroom, perfect for the kids' extra toys, or even a teenager's video games. With a Jack and Jill style bathroom, bedrooms 4 and 5 are joined for a great amount of privacy in the separate toilet and shower room. Bedroom 3 features its own private bathroom and walk-in closet for convenience.

Outdoor & Recreational living

Aside from the comfortable living space, Banks Cove also features great opportunity for an active lifestyle. With its own personal gym, a large 3-car garage, and tons of outdoor living potential with the large covered porch, you are sure to never be bored with all that Banks Cove has to offer.

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team

of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.
