Description

MEN 5299

From award winning home designer Michael E. Nelson comes a great addition to our Elk Valley Cabin Collection. Elk Horn features stunning curb appeal with its wooden and stone exterior. Earthy tones from the board & batten siding pair nicely with the bold wooden columns and large stone accents. This cabin plan features vaulted ceilings, 1 bedroom, and the perfect cozy open layout. Elk Horn will leave you feeling right at home with the great outdoor living area featured on the front porch.

Open Floor Design

Leading right into Elk Horn from the front porch, you'll find yourself feeling cozy in the vaulted ceiling kitchen/den combo. With everything you need just steps away at any moment, Elk Horn is

the perfect weekend getaway or vacation home. The hallway accesses the bedroom while also giving way to the laundry closet and hall bathroom.

Bedroom

Mimicking the den/kitchen area, the bedroom features vaulted ceilings, ample closet space for your weekend essentials, and easy access to the bathroom through the hallway. A drawer/cabinet feature next to the closet offers great storage potential as well. A large picture window at the back of Elk Horn give perfect natural lighting to the spacious bedroom.
