Description

MEN 5305

From award-winning designer Michael E. Nelson comes a stunning addition to our Riverbend House Collection. Cumberland Falls is sure to attract the attention of any passerby, with a classic front porch enhanced by stone accents. Welcomed by a spacious great room before a stunning stone fireplace, guests may be easily entertained by an open kitchen and dining area, complete with an eat-at counter. The master suite of Cumberland Falls features a large walk-in closet, and the master bath features luxuries of dual vanities and a free-standing tub. Upstairs you will find bedrooms 2 and 3, as well as a full bathroom. A cozy fireplace adds a unique element to the screened porch, making for the perfect outdoor living space. The garage offers tons of storage space and even features an additional area for a small workshop. How would you customize this

amazing house plan?

Customizing This House Plan

Make this house plan into your dream home!

We understand that when it comes to building a home you want it to be perfect for you. Our team of experience house plan specialists would love to be able to help you through the process of modifying this, or any of the other house plans found on our website, to better fit your needs.

Whether you know the exact changes you need made or just have some ideas that would like to discuss with our team send us an email at: info@nelsondesigngroup.com or give us a call at 870-931-5777 What to know a little more about the process of customizing one of our house plans?

Check out our [Modifications FAQ](#) page.
