Description

MEN 5367

From award-winning designer Michael E. Nelson comes the newest addition to our Riverbend House Collection. River Retreat is a cozy home plan perfect for small families, or even that vacation home you’ve been dreaming of. A white exterior paired with stone pillars create a welcoming front porch and tons of curb appeal. Inside you will find an open area shared by a cozy den, a dining space, and a kitchen with an eat-at island. A mudroom maximizes space with a stacked washer and dryer. The master suite is located to the right of River Retreat, where you will enjoy a full bathroom adjoined to a spacious closet. Upstairs you will find bedrooms 2 and 3, which share a bathroom across the hall. How would you customize this amazing house plan?
