Description

SMN 1063

From award-winning designer Seth M. Nelson comes the newest addition to our Farmhouse House Collection. Linwood Ave is a charming home plan inside and out. A dark exterior pairs nicely with wood framing and shutters, creating gorgeous curb appeal. Inside you'll enjoy a great room equipped with a wood burning masonry fireplace open to a luxury kitchen centered around a large eat-at island. A walk-in pantry is also featured, offering more space than you could imagine, and the covered rear porch allows for an outlet to relax outside. The master suite, located on the right side of Linwood Ave, features tons of space in the suite and walk-in closet, and the master bath enjoys luxuries of dual vanities, a clawfoot tub, and a walk-in shower. Bedrooms 2 and 3 lie on the opposite side and share a Jack and Jill bathroom. To top it all off, the massive 3-car garage

includes a storage closet and opens into a large mudroom/laundry room, complete with a kids' nook and a half bath down the hall. How would you customize this amazing house plan?
