Description

MEN 5095

From award-winning designer Michael E. Nelson comes the newest addition to our French Traditional House Collection. A brick exterior paired with French-style accents and an arched entry porch gives Anderson Court the curb appeal you've been looking for. Inside is a large great room with a vaulted ceiling and a gorgeous brick fireplace. Open to this space is the kitchen, which features an eat-at island, and a cozy alcove where the breakfast nook sits. The master suite of Anderson Court conveniently adjoins to an office room and features a large walk-in closet accessible from the master bath. Here you will find the luxuries of a free-standing tub, a walk-in shower, and dual vanities. On the opposite side, bedroom 2 and 3 share a Jack and Jill bathroom,

while bedroom 4 enjoys a bathroom accessible from the hall. In addition to an optional basement, this stunning home features its own home theater, a formal dining room, a 3-car garage, and a bonus room upstairs. A grilling porch deck also makes for the perfect outdoor living space. How would you customize this amazing house plan?
