Description

MEN 5415

From award-winning designer Michael E. Nelson comes a stunning addition to our Rustic House Collection. Timberland Ranch will have you in awe with every step! A stunning wrap-around porch characterized by stone/wood columns is just the beginning of the outdoor living spaces. Greet your guests from a breathtaking vaulted ceiling entryway and lead them into the wonderful open floor plan, where the Great Room and Kitchen/Dining all share one space! This central space encompasses a gorgeous stone fireplace, and picture frame windows throughout allow for plenty of natural lighting. The kitchen is in no way lacking counterspace, and a large walk-in pantry even features an extra sink! An eat-at center island also allows for additional seating, as well as casual snacking. At the rear of the Timberland Ranch home plan, on the far right, is the spacious Master Suite. This master bedroom has all the luxuries you could ask for, including access to the covered

patio outside and an adjoining Study/TV Room! Charming barn doors separate the room from the Master Bath, which features a free-standing tub, his and her vanities, a corner shower with seats, and a huge walk-in closet.

Although the second Master Suite (or Guest Room) is found just down the hall, these two suites are allotted maximum privacy by a large Screened Porch in between. The sloped ceiling in the Master Bedroom continues here, and a cozy stone fireplace makes it perfect for gathering, no matter the weather. This porch steps out onto a large covered patio, where you can privately access both suites. Just outside the second Master Suite is a convenient half bath, as well as the laundry room and a mudroom entry to the 3-car garage. Upstairs is another half bath, which is found just outside the balcony-style Loft overlooking the Great Room below. Down the hall are the additional bedrooms and the Bonus Room. Bedrooms 2 and 3 each enjoy a private bathroom and walk-in closet, and the Bonus Room can be used for anything, from a Game Room/Playroom to an Exercise Room!
