Description

NDG 1430

A stunning addition to our European House Collection, Buchanan Drive has a truly elegant exterior, classic brick and stone accents pairing nicely with arch styles throughout. Once inside, the Foyer invites you into the open floor plan ahead, where the Great Room and Kitchen share one large space, as well as a breathtaking vaulted ceiling decorated with timber beams. The Great Room allows for gathering around a cozy fireplace, and two pairs of French Doors lead out to the Grilling Porch, complete with an outdoor kitchen and additional fireplace, making entertaining family and friends a pleasure. The Kitchen offers an eat-at island bar, a walk-in pantry, and an adjacent Breakfast Room, where you can enjoy a view of your backyard or Grilling Porch while sipping your morning coffee. Just off the Kitchen is a convenient half bath for guests, as well as large Kid's Nook with a bench with hanging storage. Adjoining the Laundry Room, this space

serves as a great mudroom entry to the 2-car garage.

Continuing down the hall toward the rear of Buchanan Drive, you will find your Master Suite. The spacious master bedroom has a vaulted ceiling with a bank of rear-facing windows for natural lighting, while the Master Bath offers dual vanities, a corner glass shower with a seat, whirlpool tub, and a massive walk-in closet. The opposite side of the home houses 3 more bedrooms, each with their own walk-in closet. Bedroom 4 has private access to the shared hall bath with dual vanities and a private toilet/shower room. In addition to a spacious Safe Room, the garage also has a Bonus Room located above for any purpose you need. How would you customize this amazing house plan?
