Description

NDG B1042

A stunning addition to our Barna Log House Collection, The Fairview welcomes you inside with beautiful picture frame windows accentuating the gabled dormers and classic front porch. Upon entry, you will find yourself in the Foyer, which conveniently features a closet for winter coats and boots. Continuing along the hallway, past a half bath, you will step into the huge Great Room. This space has bookshelves adjacent to the hall bath, as well as a stone fireplace for ultimate gathering. A nice view of the rear property makes for a great place to enjoy your morning coffee, and the open floor plan allows this space to flow seamlessly into the Kitchen, with the large formal Dining Room partially open to both spaces. The Kitchen is complete with a center island bar with seating for 4, and a pocket door toward the rear leads you into the spacious Hobby/Laundry

Room, where you will enjoy tons of counterspace, as well as a soaking sink for all of your chore day needs and side projects! The left wing of The Fairview houses your luxurious Master Suite. The master bedroom has plenty of room for all the furniture you need, and even allows you to privately access the rear of the property. You will love all that your Master Bath offers, with a dual sink vanity, corner whirlpool tub, glass shower with a seat, and a huge walk-in closet! Upstairs has tons of space for the kids, with two massive bedrooms, lots of storage space, and a full bath to share. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
