Description

NDG B1011

A stunning addition to our Barna Log House Collection, The Montara will have you catching your breath with every step! Upon entry from a gorgeous Deck through charming French doors, you will find yourself in a massive Great Room, accentuated by natural light pouring in through stylish windows. The see-through fireplace separates this space from the Den/Study while also allowing for an open floor concept. Sharing this space is the Kitchen/Dining area, which enjoys plenty of natural light and accesses the rear Deck. Back in the Great Room, 6x6 posts lead you past the Laundry Room and half bath into your luxurious Master Suite. The huge master bedroom boasts tons of natural light from windows, as well as from doors accessing the front Deck. The walk-in closet is sure to hold all your wardrobe essentials, and the large Master Bath features luxuries of

his and her sinks, a spacious linen closet, whirlpool tub, and separate shower. Upstairs are Bedrooms 2 and 3, with plenty of closet space and a hall bath in between. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
