Description

NDG B1006

A stunning addition to our Barna Log House Collection, The Country Squire II showcases beautiful curb appeal, with a classic front porch and stone skirt accentuated by gable dormers. Stepping inside, you will find yourself in the open floor plan, which joins the Great Room and Dining/Kitchen area together. The cozy fireplace is visible from the Kitchen, ensuring the cook never has to leave the gathering space. The Dining Room allows you to access the charming Grilling Porch, where plenty of evenings will be spent enjoying the great outdoors and delicious barbecues! Back inside, you will be pleased to find a spacious Laundry Room serving as a mudroom entry from the rear Porch.

Sharing a hallway are Bedrooms 2 and 3, as well as a hall bath, and on the far left of The Country Squire II, you will find your Master Suite. The spacious bedroom enjoys natural lighting from surrounding windows, and you can access your large walk-in closet from here or your private Master Bath. Upstairs are two huge, additional bedrooms and a full bath in between. Both bedrooms have plenty of closet space, although Bedroom 4 features a massive storage area, along with an attic space. How would you customize this amazing house plan?

NOTE: Barna plans are intended for log exterior walls. Converting these to 2X6 exterior walls requires modification and will be subject to additional modification cost. Contact one of our home plan specialists today to discuss modification requirements by emailing info@nelsondesigngroup.com or calling 870-931-5777
