Description

This stunning European home boasts over 6000 square feet of total living space and has it all. The front entrance offers a breath-taking view of the grand staircase centered in the foyer, flanked by a study on the left and the dining room on the right. Pass under the grand balcony to the spacious great room open to the breakfast room, hearth room, and kitchen. This kitchen is a chef's dream, featuring a prep island with an ice maker, ample counter space, a walk-in pantry, and even a corner computer desk to search for recipes. Between the kitchen and dining room is a butler's pantry and wet bar. Retire to luxury in the master suite where you'll find French doors that open to a screened porch. The master bath features an angled, raised whirlpool tub, glass shower, and his and hers walk-in closets, complete with a stacked washer and dryer, drawers and bench island. Not ready to head to the master suite? Retire instead to the grilling porch and relax by the fireplace. The upstairs boasts a view of the great room from the grand balcony and has 3 bedrooms, complete with full bathrooms and walk-in closets. The upstairs also includes an

additional laundry room, computer center, bonus room, and theater room.
