Description

Become enchanted by European beauty as you enter this home. Nine foot ceilings create a marvelous openness throughout the entire plan especially in the Great Room which features a gas fireplace. Spend hours entertaining friends and family, before heading Dining Room for a spectacular meal followed by conversation over coffee. A Grilling Porch just off the Kitchen provides ample room and convenience to prepare the cuisine. After the party ends, retreat to your private Master Suite or relax in the whirlpool tub of your Master Bath. A large Bonus Room as well as Bedrooms 2 and 3, with adjoining bath on the upper level, make an excellent children's suite.
