Description

This Traditional home is a dream come true. Upon entering you'll be greeted by a warmth that continues throughout the plan. Entertaining guests will be easy in the living room with built-in shelves and fireplace. Dinner will always be a success in the convenient kitchen with access to the formal dining room as well as the hearth room complete with fireplace and access to the rear-grilling porch. The second floor is perfect for kids that need their own space. Its features include a TV area along with a huge bedroom with its own access to the full bath. After dinner is over and the kids are heading to bed, you and your loved one can retreat to a haven all your own downstairs. Entering through French doors the spacious Master Suite is complete with large walk-in closets and a Master Bath with whirlpool tub, corner shower and double vanities.
