Description

We have created this gorgeous home by using columns accenting the front porch. Walking into the home, the columns seem to follow you to the dining room and great room. You'll find your kitchen to be a chef's dream with an island bar, a breakfast nook and access to a rear grilling porch for the grill masters in the family. If relaxation is what you need, then retreat to your master bath with double vanities, corner glass shower, corner whirlpool tub and generous walk-in closet.
