Description

This unique home has tons of country charm with its barn-like appearance. The high ceilings and open floor plan of the foyer, great room, kitchen and breakfast nook will create a modern layout and a great place for the family to gather for holidays in your home. The spacious pantry with a wet bar and access to the wrap around porch is the perfect place to prepare refreshment to be enjoyed in the beautiful summer weather. The large mudroom and laundry room is a perfect place to rinse the mud from your boots without tracking it through the house. Upstairs the balconies look over onto the great room and kitchen below. Line the walls with bookshelves to create your own library or use your imagination to use these gorgeous balconies in a way that is as unique as this home's design.
