And the vaulted ceiling and 8" timber beams of the Great Room add to the sense of space and charm. The Master Suite is a dream with a vaulted ceiling and your own convenient private office. While the master bath will greet you each day with a whirlpool tub, a large corner glass shower with a seat and a huge walk in closet that even has access to the laundry room for incredible convenience. 2 more bedrooms are on the opposite side of the home, each with a walk-in closet, and sharing a Jack and Jill bath. Once downstairs, the fun begins with a large Game Room,

warmed by the gas fireplace and entertained by the kitchen and eat-at island bar. And don't forget the fantastic Home Theater, complete with a fridge and ice maker.
