Description

Enjoy peaceful fall evenings watching the sun set in this home. When it gets too cold, you can warm yourself in the comfortable great room, complete with fireplace. Begin each day with coffee and the morning paper in the hearth room with fluid access to the kitchen. The family chef will love displaying his or her skills during an afternoon cookout on the rear grilling porch. After the day has come to a close, you will find it most relaxing to soothe aches away in the privacy of your master bath.
