Description

From the moment you step upon the covered front porch of this traditional home you will revel in the comfort eluding from the heart of your hosts. The great room boasts a cozy fireplace to warm yourself on cold winter nights. The kitchen welcomes you to dine at the raised snack bar open to the breakfast room and accessing the rear-grilling porch. As your evening draws to an end you find that your hosts have converted the office into a suite prepared for you with a walk-in closet and private bath.

As you drift off to dreams a hush befalls the house as the children are in their own bedrooms with walk-in closets and shared bath access, and your hosts find themselves beside the fireplace of the master suite or relaxing in the whirlpool tub of the master bath.
