Description

Relax on the covered front porch that wraps around the front and side of this Nelson Design Group home. Your guests are sure to notice and appreciate the open feel throughout this design. At the heart of this home is the well-equipped kitchen including a bar that connects to the breakfast area and hearth room. The private study and master suite complete the main floor of this home. The upper floor houses two spacious bedrooms, each with a computer center and private access to a shared bathroom.
