Description

NDG 646B

A stunning addition to our Farmhouse House Collection, Tanglewood Drive blends the warmth of country with classic southern tradition in a detailed porch with round columns on stone pillars.

Inside, the spacious Great Room will be the place to be, with a built-in media center, cozy fireplace, and wall of windows looking out onto the large rear Grilling Porch, which features its own storage closet, perfect for storing outdoor cooking utensils. The open floor plan of this home merges the Great Room with the Kitchen/Breakfast Room combo to form one big space. A handy breakfast bar is angled toward the Kitchen for an ultimate gathering space. Plenty of counterspace makes for easy meal prep, and a swinging door leading into the formal Dining Room allows for quick meal transfers.

On the left side of Tanglewood Drive, you will be able to access your luxury Master Suite. The master bedroom is so spacious, it takes up most of the left wing, and features a private entry to the Grilling Porch. The Master Bath will be favorite space in the house, with amenities of a corner whirlpool tub, makeup station between two vanities, a corner shower with a seat, and a large walk-in closet. There is even designated space for a TV angled toward your tub! The Master Suite shares a hallway with the Laundry Room entry to the 2-car garage, making laundry day and entries/exits easy. Three additional bedrooms with two shared bathrooms complete the main level of Tanglewood Drive. Bedroom 2 can also be used as a study, if needed, and enjoys a modest step-in closet. Past the hall bath are Bedrooms 3 and 4, which share a Jack and Jill bath in between, complete with dual vanities and a private toilet/shower room. Upstairs you'll find several Bonus Rooms with creative ceilings, dormer windows, and tons of space to satisfy your needs. How would you customize this amazing house plan?
