Description

Brick and stone, arched entry, and a courtyard garage give this Michael E. Nelson design a stunning exterior. Inside you will find an open layout and split bedroom design. The master suite is privately located at the rear of the home and features a vaulted ceiling, over-sized walk-in closet, and luxurious bath with a large glass shower and free standing tub. On the opposite side of the home is three additional bedrooms each with generous sized closets, a Jack & Jill bath between bedrooms 2 and 3, and a private bath for bedroom 4. A safe room in the garage and an optional bonus room with bath upstairs are also features of this home plan.
