Description

This French Country Style home is perfect for any growing family. The foyer leads you to the study, dining room and great room as well as the private master suite and the upstairs via a beautiful stair case. The great room features a gas fireplace and a beautiful coffered ceiling. The great room flows into the kitchen where you will enjoy plenty of cupboard and counter space. around the back of the kitchen you'll find a breakfast room/hearth room which features another cozy fireplace as well as access to the grilling porch. The large master suite displays a boxed ceiling and a bathroom where you can soak away the stresses of the day in either the whirl pool tub or the large glass shower. A stacked washer and dryer are located between the his and he's walk-in closets for the utmost convenience. Upstairs is the perfect "Kids floor" with 4 bedrooms each with their own bathroom (one room can be used as a TV room) and a laundry room.
