Description

Do you love spending time outdoors but still need that cozy place to rest your head at night before an early morning fishing trip up the river? This charming little house plan features a simple and efficient floor plan making it the perfect River's Edge getaway home. Each of the 3 bedrooms features a large closet and share a hall bath. The open floor plan of the living room, dining room and kitchen allows for the rooms to flow together making to most of the space. A laundry room in the back of the home with access the to the rear grilling porch provides the perfect mud room so you can ditch those dirty shoes before trekking through the home after a long day of fun.
